Affordable 3 Bedroom House

The residence is a three-bedroom house located within a desirable suburb or township.

It comprises a main bedroom of substantial size and two further bedrooms. Security features include a lock-up garage, and the property is secured by perimeter walls and a gate.

Its location offers significant convenience, with close proximity to the town center, a major hospital, schools, and retail establishments, in addition to readily available transportation options. The interior includes a family bathroom, and the house offers considerable potential for future redesign.
