Expansive Family Home Filled With Character

Located within a quiet cul-de-sac, this large family home is spacious enough for the needs of a large family but still manages to retain a cosy & homely feel throughout.

There are 4 spacious bedrooms & 3 bathrooms. 2 of the bathrooms are en-suite. The highlight is the light-filled main bedroom with its full en-suite, walk-in closet, and private garden!

The dining room is surrounded by the 2 living areas & kitchen. One of the lounges opens up via large sliding doors to the undercover entertainment area which overlooks the pool. Most definitely a very practical & well-thought design.

Other features include a double automated garage (with workshop area), automated gate, alarm system, outside beams & wendy hut.
