A Stunning & Sophisticated Home, Ideally Located In Meerensee

The kitchen is the 'heart of the home' and in this case, it rings true to the saying. The living areas and bedrooms surround a magnificent designer kitchen which provides everything the master-chef within you desires.

The home has tasteful modern finishes throughout.

The 2 spacious living areas flank the kitchen, one of which opens up to the garden and a sparkling blue swimming pool.

All 4 air-conditioned double-volume bedrooms have en-suite bathrooms as well as ample cupboard space.

If you have a live-in helper there is a room with a bathroom which is perfectly suited for that.

The double lock-up garage, privately located at the back of the property has direct access to the home for added convenience.
